Data Use Agreement
Outpatient Event Data Public Use Data File

Sections 108.013(c)(1) and (2) and 108.013 (g) of the Texas Health and Safety Code (THSC) prohibit the Texas Department of State Health Services (DSHS) from releasing, and a person or entity from gaining access to, any data that could reveal the identity of a patient or the identity of a physician unless specially authorized under Chapter 108 of THSC.

Any effort to determine the identity of any person or to use the information for any purpose other than for analysis and aggregate statistical reporting violates the THSC and this data use agreement. By virtue of this agreement, the undersigned agrees that the data will not be used to identify an individual patient or physician.

Any questions about the data must be referred to the DSHS manager in charge of implementing Chapter 108 of THSC. Product support is not provided by DSHS.

The data are protected by United States copyright laws and international treaty provisions.

In this data use agreement, the requestor of the data is referred to as the "licensee" and can be any organization, employee of an organization, consumer or data purchaser that is responsible for complying with the following requirements:

By initialing each item , the licensee gives the following assurances with respect to the use of Texas Outpatient Event Data sets:	
	The licensee acknowledges the data is limited to the organization's physical location (specified below) unless purchasing a multiple organizational license;
	The licensee will not release nor permit others to release the individual patient records or any part of them to any person who is not a staff member of the organization (specified below), except with the written approval of DSHS;
	The licensee will not attempt to link nor permit others to attempt to link the outpatient records of patients in this data set with personally identifiable records from any other source;
	The licensee will not release nor permit others to release any information that identifies persons, directly or indirectly;
	The licensee will not attempt to use nor permit others to use the data to learn the identity of any physician;
	The licensee will not nor permit others to copy, sell, rent, license, lease, loan, or otherwise grant access to the data covered by this Agreement to any other person or entity, unless approved in writing by DSHS;
	The licensee acknowledges that when releasing or disclosing the data set or any part to others in their organization they will retain full responsibility for the privacy and security of the data and will prohibit others from further release or disclosure of the data;
	The licensee agrees to read the User Manual and understand the limitations of the data (User Manual located at: www.dshs.texas.gov/thcic);
	The licensee will periodically check the DSHS/CHS/THCIC website for any technical updates to the data (www.dshs.texas.gov/thcic);
	The licensee will use the following citation in any publication of information from this file as: Texas Outpatient Event Public Use Data File, [quarter and year of data]. Texas Department of State Health Services, Austin, Texas. [date of publication];
	The licensee will indemnify, defend and hold the DSHS, its members, employees, and its contract vendors harmless from any and all claims and losses accruing to any person as a result of violation of this agreement; and
	The licensee will make no statement nor permit others to make statements indicating or suggesting that interpretations drawn from these data are those of DSHS.

For the purposes of this data use agreement an "Organization" is defined by its physical location (street address). Organizations that have multiple physical locations shall restrict access of the requested files listed on this document to the location listed on the document, unless purchasing a multiple organization license. (See page 5)

Note: Organization staff at the location listed on this document or contracted business associates to the licensee listed that do not regularly work at the physical location listed on this document are required to obtain their own data through DSHS, except with the written approval of DSHS.

Sharing of the data between two organizations, regardless of affiliation, is only allowed with the written approval of DSHS.

The licensee is required to comply with all federal and state confidentiality laws. The licensee agrees to the foregoing restrictions and acknowledges that the knowing or negligent release of data in violation of Chapter 108, Health and Safety Code, is punishable by a civil penalty of up to \$10,000 under section 108.014 and is a state jail felony under section 108.0141 and any other remedies available under the law to DSHS.
