PROVIDER: Texas Health Huguley Hospital

THCIC ID: 047000

THCIC audits have been corrected with the FER reported 100% accuracy.
There may

be duplicates or missing claims. An issue with payer mapping was resolved
November 1st. Due to the difficulty in rerunning informational claims in Epic
without negatively impacting operations, any attempt to rerun claims will
cause

significantly decreased volume and will not be an accurate accounting of our
volume.

PROVIDER: University Medical Center of El Paso-Mesa

THCIC ID: 975868

This database allows only one primary physician, representing the discharge physician at the institution. In academic medical centers like the University Medical Center of El Paso, patients are cared for by rotating teams, leading to

potential inaccuracies in attributing outcomes to one physician. We review the

data for improvement through a performance improvement process.

PROVIDER: Cook Childrens Medical Center Prosper

THCIC ID: 976100

Cook Children's certifies Q4 2025 OP data to THCIC with these possible concerns:

Certain dental procedure codes on claims are unrecognized in THCIC and result in

errors. Charges accrued before or after admit/DC dates could be missing; THCIC

allows for one operating provider assigned per encounter, a surgeon could potentially be assigned to a procedure they did not perform; THCIC allows a limited number of diagnoses & procedures. Patients with more than this limit will be missing information.

Certain records are submitted as is, and that as of the time of the
certification, these records we've submitted, match what we found in our
internal EHR and that there is a possibility that some of these datapoints will

change due to internal processes and EHR data updates/refresh. Reasons for change include changes to the: Super Record – (demographic), Clinical Record – (coding / charging), Billing Record – (Business Office).
