

In accordance with Health and Safety Code, Section 108.012(b), "The department may charge a person requesting public use or provider quality data a fee for the data. The fees may reflect the quantity of information provided and the expense incurred by the department in collecting and providing the data. The executive commissioner by rule shall set the fees at a level that will raise revenue sufficient for the operation of the department. The department may not charge a fee for providing public use data to another state agency." Chapter 108 may be viewed by clicking [here](#).

This is a list of organizations that have received data, and the payment amounts for the number of calendar quarters of data.
