Data is submitted to meet statutory requirements. Conclusions could be erroneous due to communication difficulties in reporting complete data by reporting constraints, subjectivity in assignment of codes, system mapping and normal clerical error. Deadlines may prevent inclusion of all applicable cases. This represents claims data at the time of preset deadlines. Data may be incomplete due to field limitations and be cautiously used to evaluate health care quality and compare outcomes.

=====

PROVIDER: University Medical Center Surgical Hospital  
THCIC ID: 976227

This database allows only one primary physician, representing the discharge physician at the institution. In academic medical centers like the University Medical Center of El Paso, patients are cared for by rotating teams, leading to potential inaccuracies in attributing outcomes to one physician. We review the data for improvement through a performance improvement process.
