Inpatient Submitter

Revised January 2025

Background Information

- ✓ Chapter 108 of the Texas Health and Safety Code established and authorizes THCIC to collect and report on Inpatient/inpatient discharge data.
- ✓ <http://www.statutes.legis.state.tx.us/Docs/HS/word/HS.108.doc>
- ✓ <http://www.statutes.legis.state.tx.us/Docs/HS/pdf/HS.108.pdf>

THCIC Rules

Title 25. Health Services

Subchapter A – Collection and Release of Hospital Discharge Data

Subchapter D – Collection and Release of Inpatient Surgical and Radiological Procedures at Hospitals and Ambulatory Surgical Centers

[http://texreg.sos.state.tx.us/public/readtac\\$ext.ViewTAC?tac_view=4&ti=25&pt=1&ch=421](http://texreg.sos.state.tx.us/public/readtac$ext.ViewTAC?tac_view=4&ti=25&pt=1&ch=421)

Inpatient Upload / Submitter

- ✓ Submitting Data Submitter/ Upload 5010
 - ✓ Getting a Submitter ID (SUB***)
 - ✓ Data Reporting Schedule
 - ✓ Logging into the System as a submitter
 - ✓ Submitting your data
 - ✓ Encounter on Demand (EOD)

Getting a Submitter ID

- ✓ Before a user can submit Outpatient/ inpatient data via 5010 file format the user must be registered with System I 3.
- ✓ Facilities must test their data submission with System I 3 before data can be submitted.
- ✓ The user must register with System I 3 at <https://thcic.systemI3.com/enrollments>

Requesting a Submitter ID

Request Access

ORGANIZATIONS WHO SUBMIT FOR MULTIPLE PROVIDERS:

Enroll as a submitter only once. List ALL providers that you submit for at the bottom of this page. If you submit for more than 15 hospitals please contact the THCIC Help Desk at 888-308-4953.

ORGANIZATIONS WHO SUBMIT FOR THEMSELVES:

Enroll your facility as the submitter. List (as the Primary Contact) the person in your facility responsible for submitting claim data.

TO UPDATE EXISTING SUBMITTER INFORMATION:

If you already have a submitter id and would like to update the contact information, you should instead fill out the [Submitter Information Change Request Form](#).

Submitter Information

BUSINESS NAME *

STREET ADDRESS 1 *

STREET ADDRESS 2

CITY *

STATE *

ZIPCODE *

Primary Contact

NAME *

Enroll as a submitter only once. A user can list up to 15 providers that the user will submit data for. If the user will submit for more than 15 providers, the user will have to contact System I3 directly to complete that request.

Providers that will submit for themselves using a 5010-file upload, must have a submitter ID.

The user must contact System I3 before starting to test data.

If the submitter contact person needs to be updated, please contact System I3 directly.

Security Notice

This is not a public use Web Site.

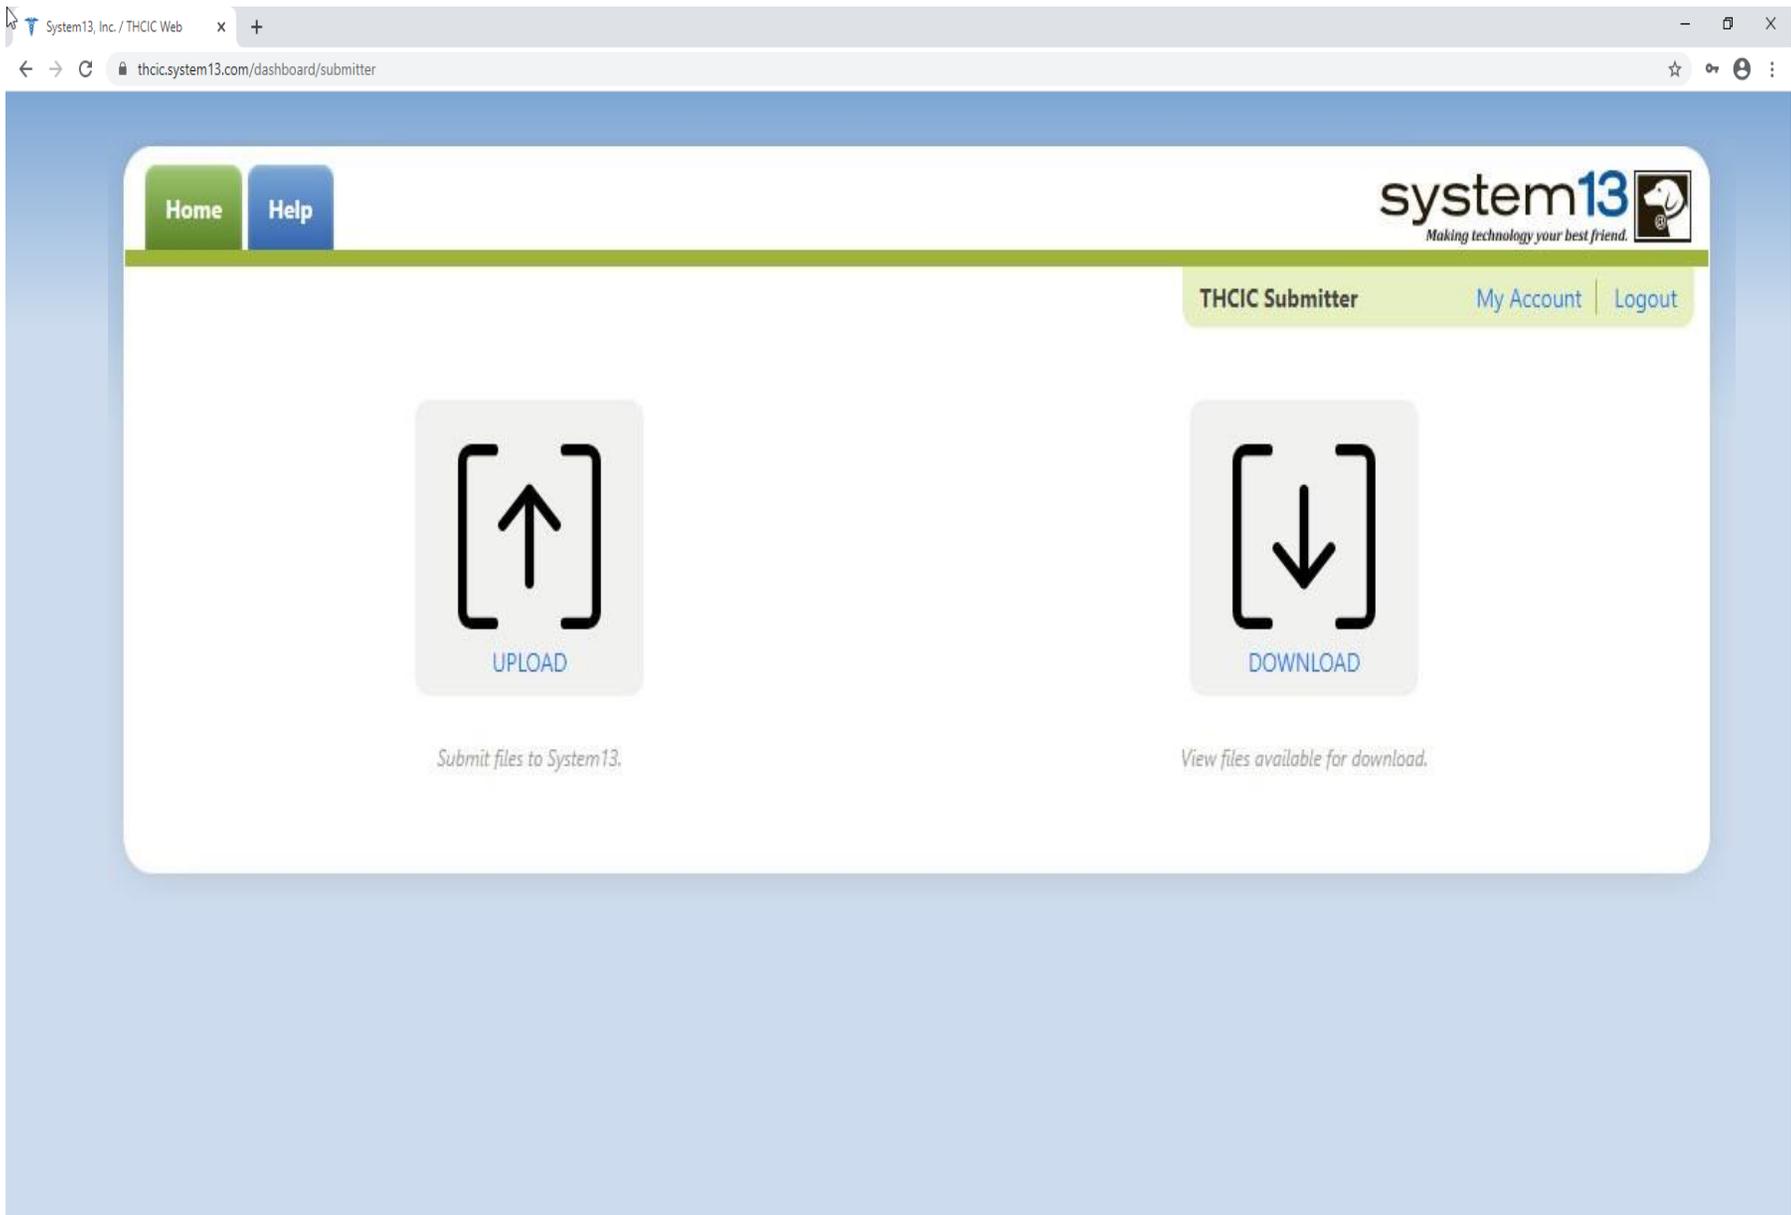

- This information system is operated under the direction of the Texas Health Care Information Council in accordance with the Texas Health and Safety Code, chapter 108, and Title 25 of the Texas Administrative Code, Chapter 421.
- Access requires the explicit consent of the Texas Department of State Health Services.
- All activities on this web site, including attempted access, are monitored and recorded.
- Anyone accessing this web site expressly consents to such monitoring and recording. This information will be provided to law enforcement agencies to pursue criminal prosecution if monitoring reveals evidence of criminal activity.
- This web site uses a computer security system that is designed to prevent unauthorized access. Unauthorized use of the system or data is a violation of Texas and United States laws.
- Authorized users of this system are reminded of their individual and organizational requirements to safeguard all confidential data.

I am an authorized user and I understand and accept the requirements stated in this notice.

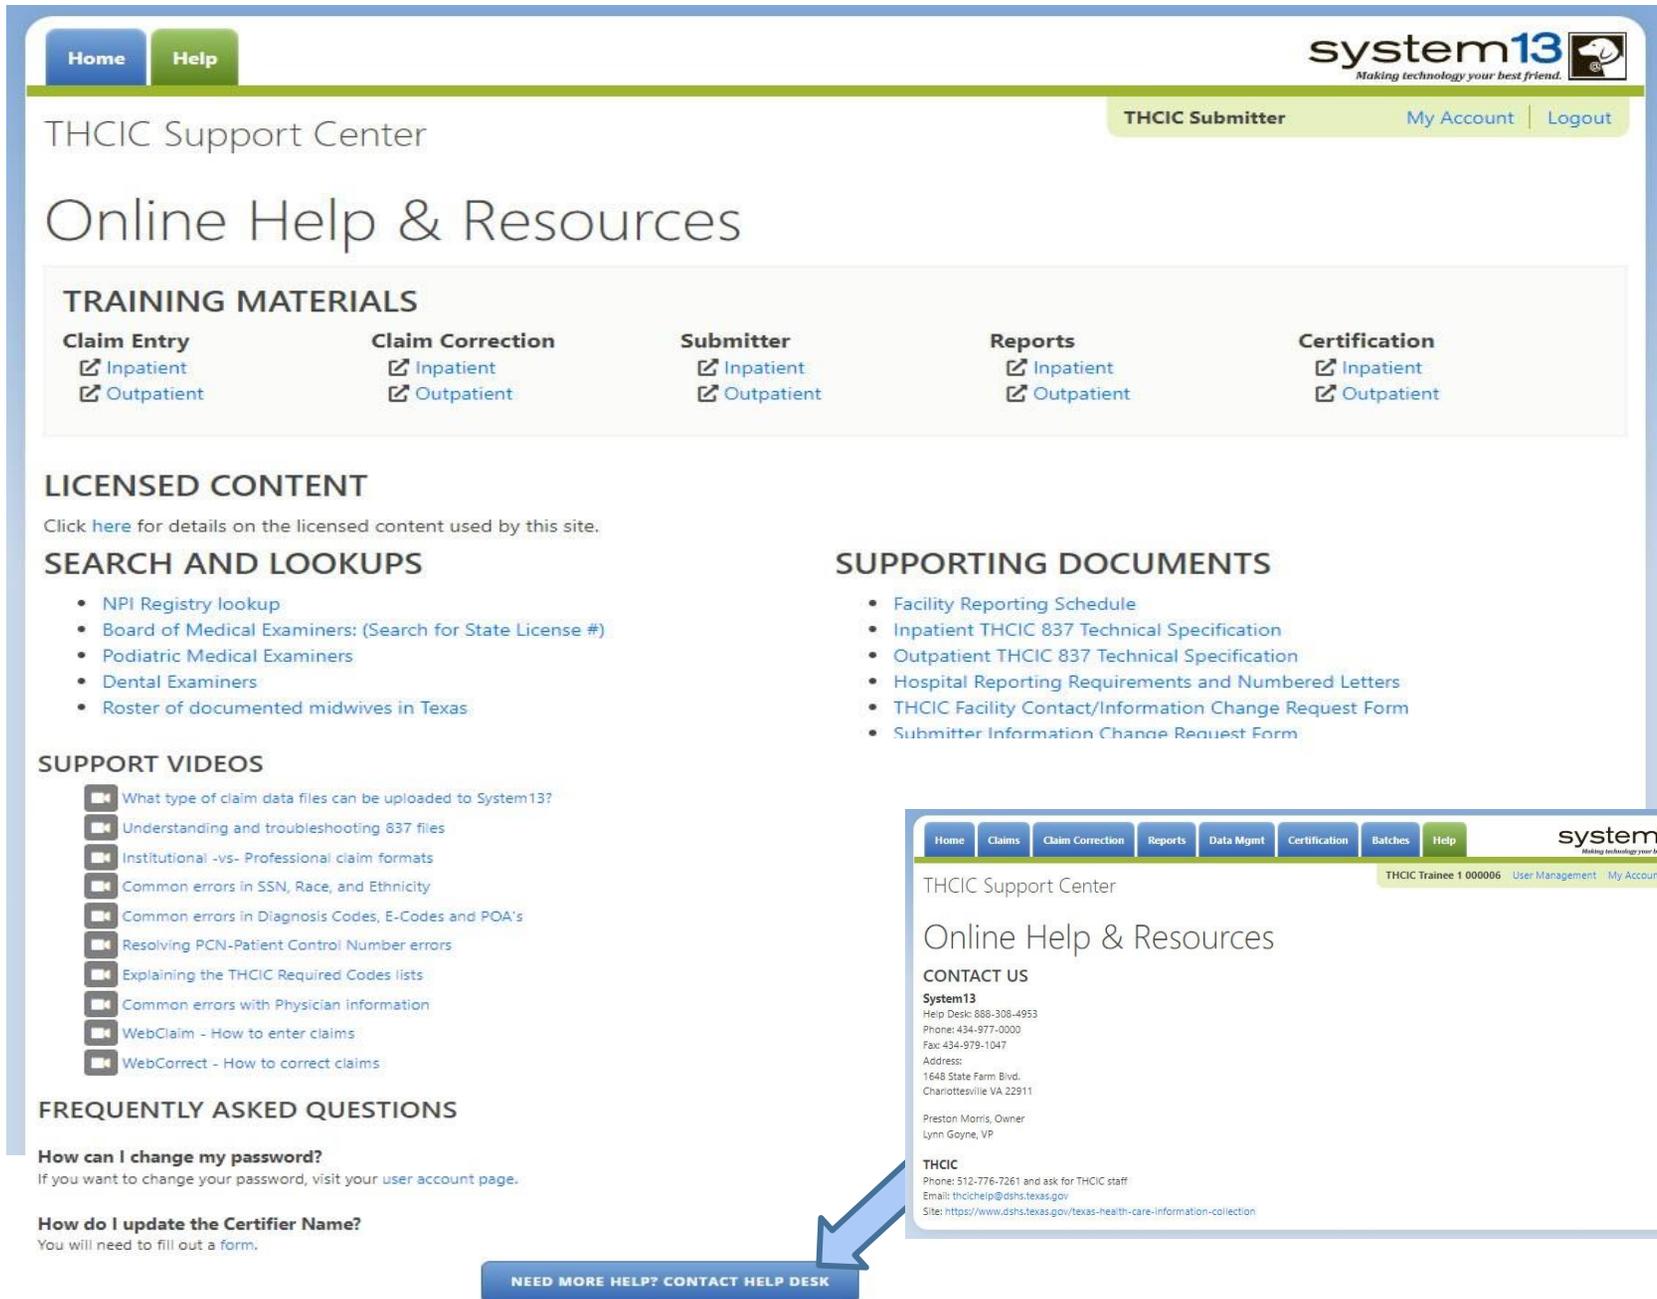

ACCEPT DECLINE

A facility must accept the security notice and access to the database will be provided. If a facility declines this notice, access will not be granted to the database.

Submitter Home Page

Submitter Home Page – Tab

The screenshot shows the 'system13' Submitter Home Page. At the top, there are navigation tabs for 'Home' and 'Help'. The page title is 'THCIC Support Center' and 'Online Help & Resources'. A green 'Help' tab is highlighted. Below the title, there are sections for 'TRAINING MATERIALS', 'LICENSED CONTENT', 'SEARCH AND LOOKUPS', 'SUPPORT VIDEOS', and 'FREQUENTLY ASKED QUESTIONS'. The 'TRAINING MATERIALS' section includes links for Claim Entry, Claim Correction, Submitter, Reports, and Certification, each with sub-links for Inpatient and Outpatient. The 'SEARCH AND LOOKUPS' section lists various lookup options like NPI Registry and Board of Medical Examiners. The 'SUPPORT VIDEOS' section lists several video topics related to claim data and errors. The 'FREQUENTLY ASKED QUESTIONS' section includes questions about changing passwords and updating certifier names. On the right side, there is a 'SUPPORTING DOCUMENTS' section with links to various technical specifications and forms. At the bottom, there is a 'CONTACT US' section with contact information for System13 and THCIC. A blue arrow points from the 'NEED MORE HELP? CONTACT HELP DESK' button to the 'CONTACT US' section.

Your password will expire on: 01/13/2025
(approximately 2 months from today)

Configure MFA Settings

CURRENT PASSWORD

Current password cannot be blank.

CHANGE PASSWORD

New password cannot be blank.

PASSWORD CONFIRMATION

UPDATE CANCEL

The user must use the Multi-Factor Authentication (MFA) settings to set their password. The following pages will discuss the new process.

PASSWORDS MUST:

- expire and be changed every 60 days
- be at least 8 characters long
- contain at least 1 alpha, 1 numeric, and 1 special character
- contain uppercase and lowercase letters
- begin and end with a letter

PASSWORDS MUST NOT:

- be reused for 1 year
- contain username
- contain letter or number sequences greater than 2
- repeat characters more than twice in a row

PASSWORD NOTES:

1. Within this application, the following is defined as the set of Special Characters: ! @ # \$ % ^ & * ? _ ~ -
2. Here are some examples of a letter or number sequence greater than 2: 'abc', '123', '4567', 'ghijk'
3. Here are some examples of a letter, number, or sequence that is repeated more than twice: 'aaa' (2-letter repetition), '111' (2-number repetition), 'abcabc' (letter sequence repetition), '123123' (number sequence repetition)

Multi-Factor Authentication (MFA) Configuration

Multi-Factor Authentication Configuration

Joe Jamason (th999999z)

Select how you will obtain your 6-digit code:

Email (default)

Authenticator Application (recommended)

SAVE

CANCEL

The configuration page will be presented to all users upon the first time they login.

Email: Will send your code via Email, this is the easier option and does not require additional update.

Authenticator App: Requires an App where your 6-digit code will cycle every 30 seconds. This will help if your facilities email filter takes too long for email.

Details and Instructions for both settings are available to read under the "Instructions".

INSTRUCTIONS

You need to select by which means you will receive your 6-digit code when confirming your identity.

Email:

This is the default option, and easiest to manage. By selecting this method the application will send you a 6-digit code to the email address associated to your account: schambers@system13.com

With this option selected, click 'Save', and then check your Inbox. You should receive an email with your 6-digit code. This will be done every time you log into the application. On the next page, you will have an opportunity to enter the 6-digit code. For security purposes, the code in the email is only valid for 5 minutes. You will have the option to select 'Resend Code' to request a new code, if needed.

Authenticator Application:

This is the recommended option, but involves the use of another application, typically installed on your smartphone, to provide the 6-digit codes you will need when confirming your identity.

With this option selected, scan the QR Code on the next page in your Authenticator Application of choice. Once the new account is added in that application you will see a 6-digit code, and a count down; these codes are only valid for 30-seconds at a time.

Now, click 'Save' and enter the 6-digit code presented in the Authenticator application on the resulting page.

MFA Configuration – Email

Email: Is the default and is easier to manage. You will be sent a 6 -digit code to the email address associated to the user's account. Once the code is sent it will be valid for 5 minutes. You will have the option to resend a new code.

Multi-Factor Authentication Configuration

Joe Jamason (th999999z)

Select how you will obtain your 6-digit code:

- Email (default)
- Authenticator Application (recommended)

SAVE **CANCEL**

Upon logging in you will receive an email from System I 3 Production Notifier. The email will have your username as well as your one-time code. You will also be able to see the facility and it's ID number on the email.

You can either copy and paste the code from the email or type the code. Once the code is there you will need to “click” the verify button.

Once verified you will be presented with the homepage.

INSTRUCTIONS

You need to select by which means you will receive your 6-digit code when confirming your identity.

Email:

This is the default option, and easiest to manage. By selecting this method the application will send you a 6-digit code to the email address associated to your account: schambers@system13.com

With this option selected, click 'Save', and then check your inbox. You should receive an email with your 6-digit code. This will be done every time you log into the application. On the next page, you will have an opportunity to enter the 6-digit code. For security purposes, the code in the email is only valid for 5 minutes. You will have the option to select 'Resend Code' to request a new code, if needed.

Authenticator Application:

This is the recommended option, but involves the use of another application, typically installed on your smartphone, to provide the 6-digit codes you will need when confirming your identity.

With this option selected, scan the QR Code on the next page in your Authenticator Application of choice. Once the new account is added in that application you will see a 6-digit code, and a count down; these codes are only valid for 30-seconds at a time.

Now, click 'Save' and enter the 6-digit code presented in the Authenticator application on the resulting page.

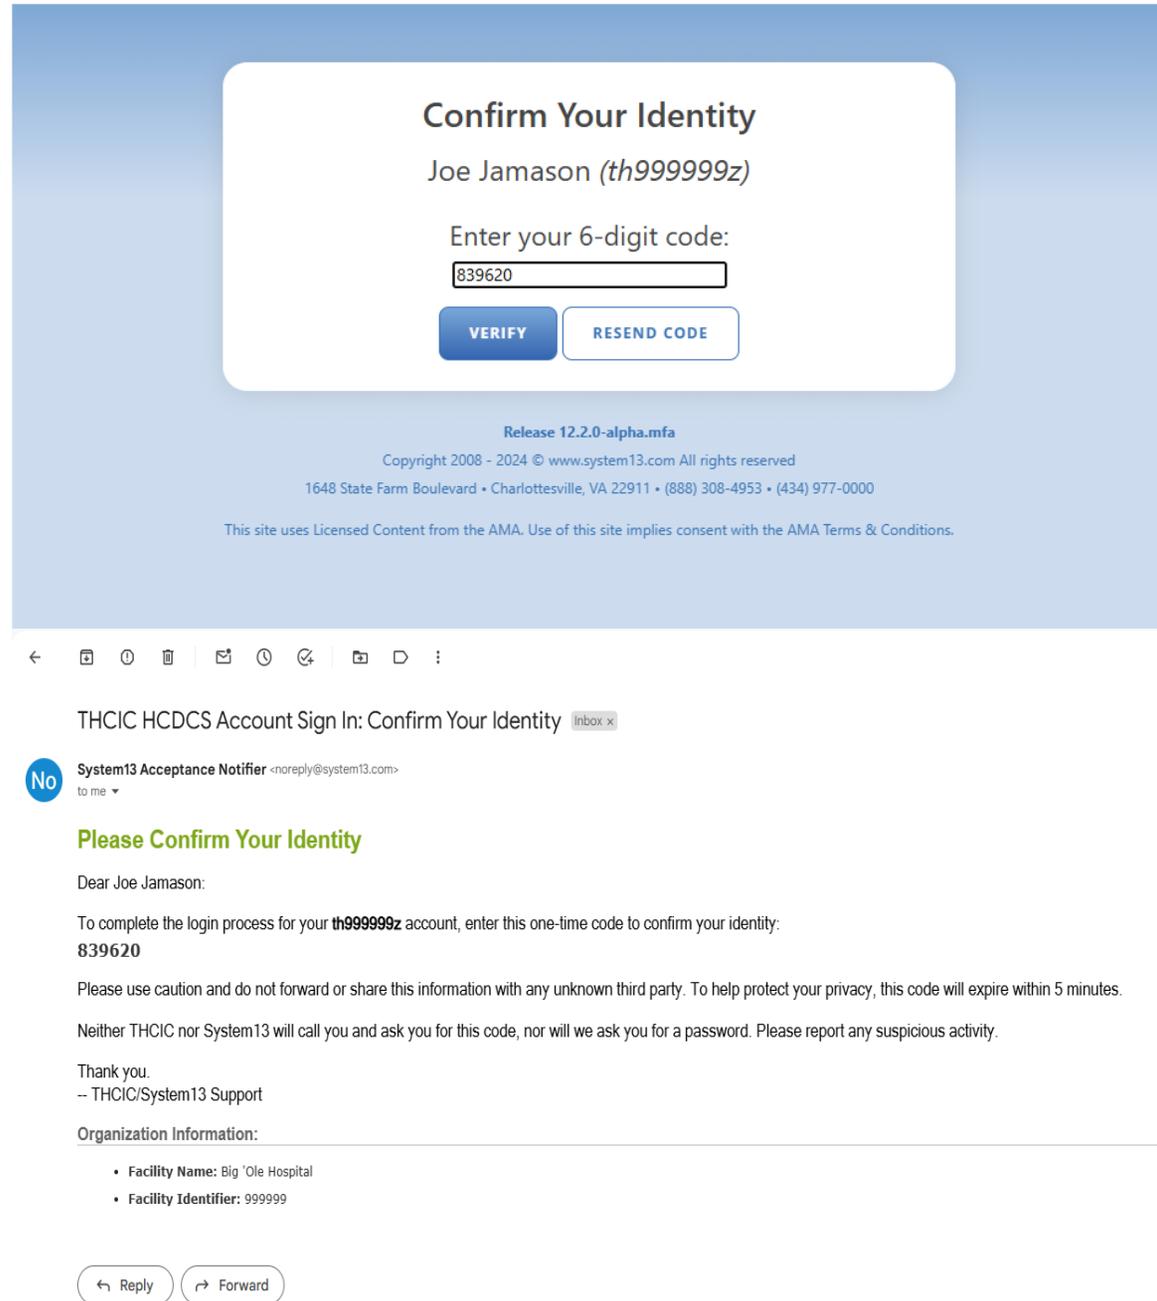

Log In the System (Email)

Upon logging in you will receive an email from System 13 Production Notifier.

The email will have your username as well as your one-time code. You will also be able to see the facility and its ID number on the email.

You can either copy and paste the code from the email or type the code. Once the code is there you will need to “click” the verify button.

Once verified you will be presented with the homepage.

The screenshot shows a web browser displaying a verification page and an email. The verification page has a white background with a blue border. It features the title "Confirm Your Identity" and the user's name "Joe Jamason (th999999z)". Below this is a text input field containing the code "839620". There are two buttons: a blue "VERIFY" button and a white "RESEND CODE" button. At the bottom of the page, it says "Release 12.2.0-alpha.mfa", "Copyright 2008 - 2024 © www.system13.com All rights reserved", "1648 State Farm Boulevard • Charlottesville, VA 22911 • (888) 308-4953 • (434) 977-0000", and "This site uses Licensed Content from the AMA. Use of this site implies consent with the AMA Terms & Conditions."

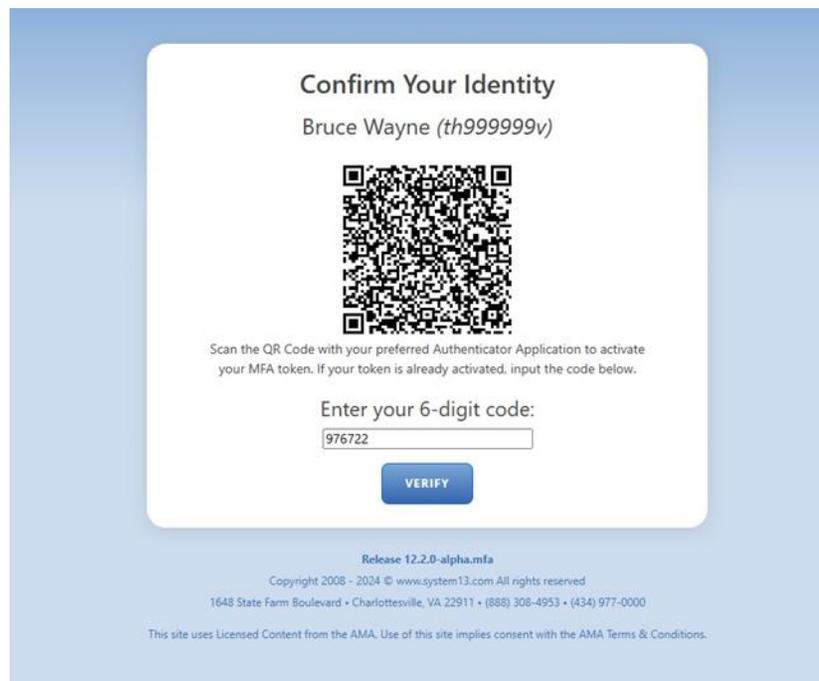

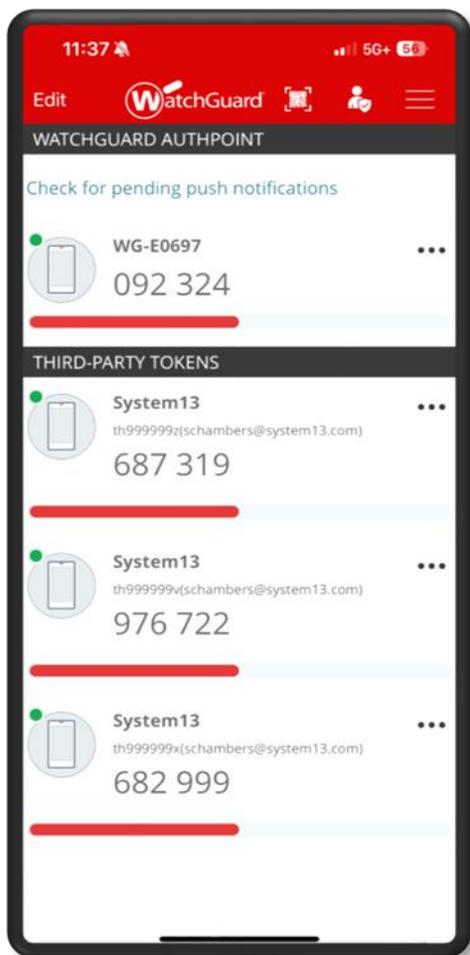

The email is titled "THCIC HCDCS Account Sign In: Confirm Your Identity" and is from "System13 Acceptance Notifier <noreply@system13.com>". The subject is "Please Confirm Your Identity". The email content reads: "Dear Joe Jamason: To complete the login process for your th999999z account, enter this one-time code to confirm your identity: 839620 Please use caution and do not forward or share this information with any unknown third party. To help protect your privacy, this code will expire within 5 minutes. Neither THCIC nor System13 will call you and ask you for this code, nor will we ask you for a password. Please report any suspicious activity. Thank you. -- THCIC/System13 Support". The email also includes "Organization Information:" with a list: "Facility Name: Big 'Ole Hospital" and "Facility Identifier: 999999". At the bottom of the email are "Reply" and "Forward" buttons.

Log In the System (Auth App)

When challenged for your 6-digit code, you will need to look for the code in your authenticator app.

(Remember this code changes every 30-seconds.)

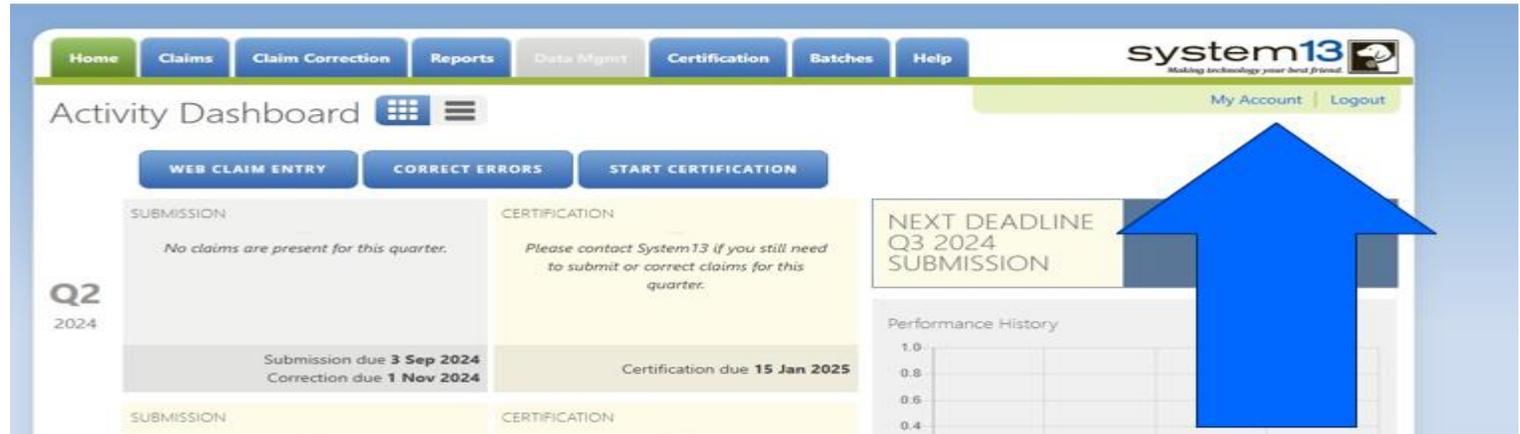

For users with multiple accounts your username will be over/under the code that you are looking for.

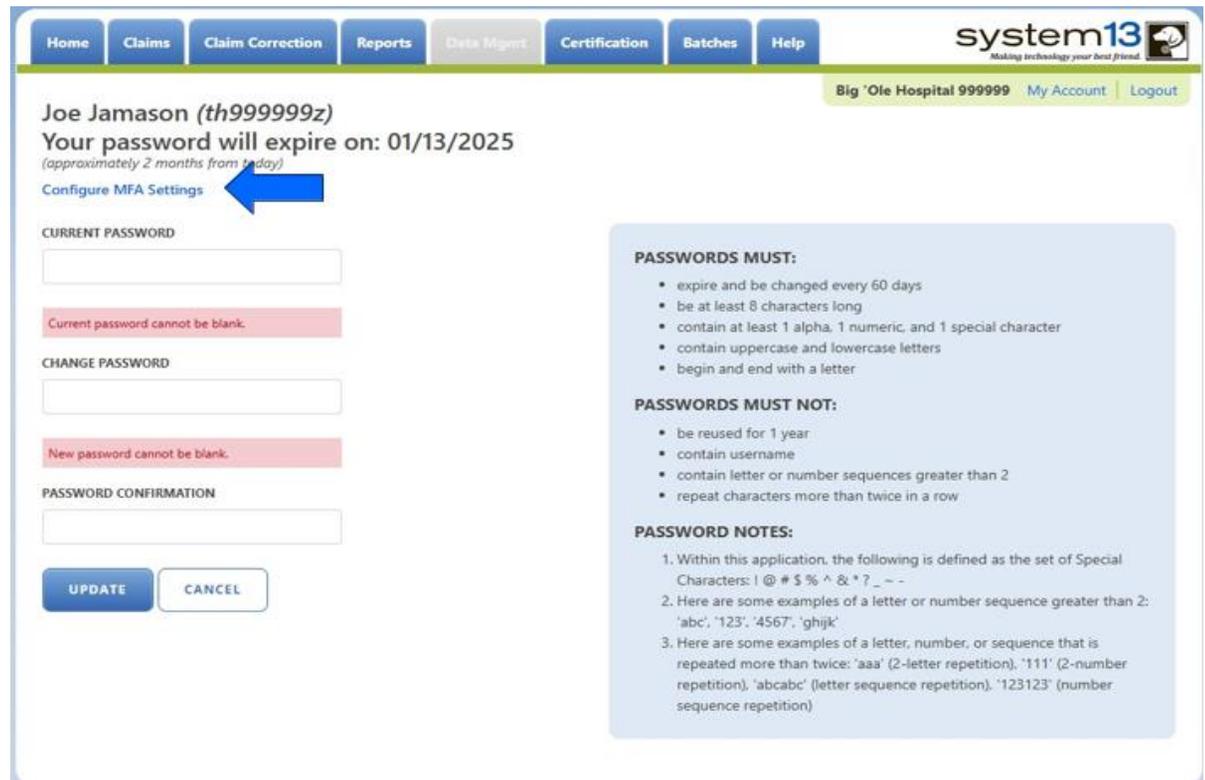

Updating MFA Settings

To change your MFA settings, you will need to go to “My account”.

Then click “Configure MFA Settings”.

For Authenticator Application you will need an Authenticator App on your smartphone to provide the 6-digit code. The codes on your app will only be valid for 30- seconds at a time.

Updating MFA Settings

To update the MFA settings, click the preferred settings then click save.

Multi-Factor Authentication Configuration

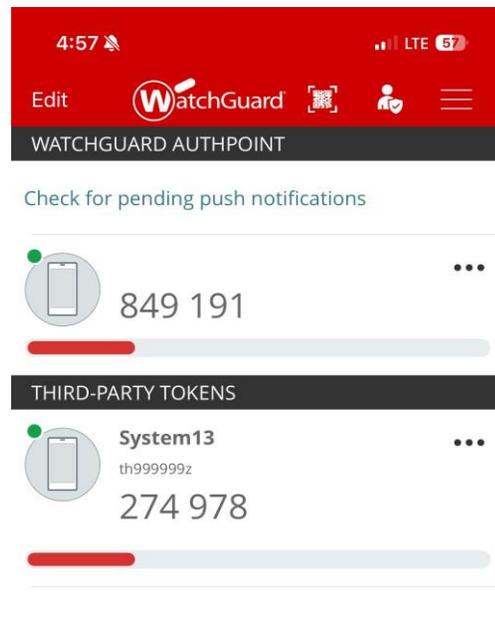

Joe Jamason (th999999z)

Select how you will obtain your 6-digit code:

- Email (default)
- Authenticator Application (recommended)

INSTRUCTIONS

You need to select by which means you will receive your 6-digit code when confirming your identity.

Email:

This is the default option, and easiest to manage. By selecting this method the application will send you a 6-digit code to the email address associated to your account: `schambers@system13.com`

With this option selected, click 'Save', and then check your Inbox. You should receive an email with your 6-digit code. This will be done every time you log into the application. On the next page, you will have an opportunity to enter the 6-digit code. For security purposes, the code in the email is only valid for 5 minutes. You will have the option to select 'Resend Code' to request a new code, if needed.

Authenticator Application:

This is the recommended option, but involves the use of another application, typically installed on your smartphone, to provide the 6-digit codes you will need when confirming your identity.

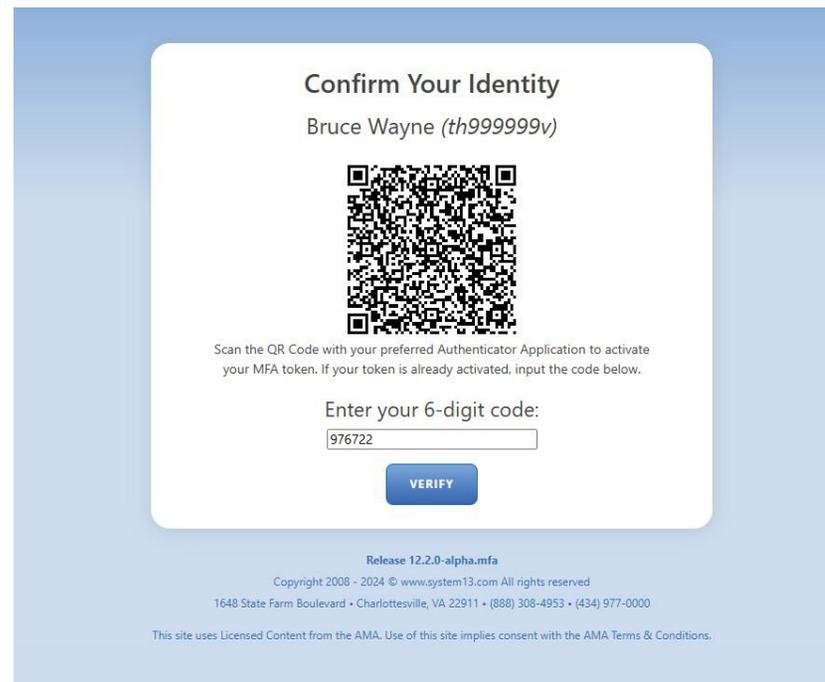

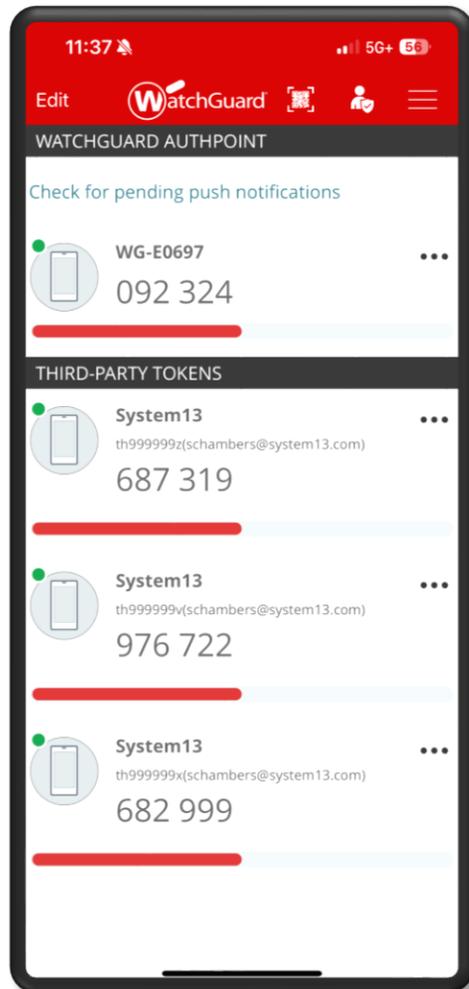

With this option selected, scan the QR Code on the next page in your Authenticator Application of choice. Once the new account is added in that application you will see a 6-digit code, and a count down; these codes are only valid for 30-seconds at a time.

Now, click 'Save' and enter the 6-digit code presented in the Authenticator application on the resulting page.

Log In the System (Auth APP)

When challenged for your 6-digit code, you will need to look for the code in your authenticator app. (Remember this code changes every 30-seconds.)

For users with multiple accounts your username will be over/under the code that you are looking for.

Troubleshooting the MFA Process

If the email code is not being received, double check that the email that was entered is correct.

Please only use one Authentication APP.

Make sure that you only have that specific login on your app once.

Double check the username on the app/email and the username for the site.

More information about this process can be in the THCIC numbered letter, Volume 27, number 5 available at

<https://www.dshs.texas.gov/sites/default/files/thcic/hospitals/numberedletters/2024/Vol27No5.pdf>

Issues with the MFA process, please contact System I 3 at 888-308-4953 or email thcichelp@system13.com.

Other Features - Logout

The screenshot shows a web browser window with the URL `thcic.system13.com/dashboard/submitter`. A file explorer window is open over the 'BROWSE...' button, showing the 'ProviderFileUpdates' folder. The file 'Provider_20230405_1250.txt' is highlighted. The file explorer shows a list of files with columns for 'Name', 'Date modified', and 'Type'. The file 'Provider_20230405_1250.txt' is a 'Text Document' modified on '4/5/2023 12:51 PM'. The file name 'Provider_20230405_1250.txt' is entered in the 'File name' field, and the file type is set to 'All files (*.*)'. The 'Open' button is highlighted.

Choose the 5010 formatted file that the user wants to upload. Highlight file and click 'Open.'

UPLOAD FILE

DESCRIPTION

System Upload Receipt about Duplicate File Uploaded in the Same Day

The screenshot displays the System13 web application interface. At the top, a red error banner reads: "SUB: has already uploaded 'Provider_20230406_1358.txt' today. Duplicate filename uploads are not allowed within the same day." Below this, the navigation bar includes "Home" and "Help" buttons, the "system13" logo with the tagline "Making technology your best friend.", and user options for "THCIC Submitter", "My Account", and "Logout". The main content area is titled "THCIC Support Center" and "FILE UPLOADS". Under the "UPLOAD FILE" section, a "BROWSE..." button is next to a text field containing the filename "Provider_20230406_1358.txt". Below the filename is a "DESCRIPTION" text area. At the bottom left is a blue "UPLOAD FILE" button, and at the bottom right is a video icon with the text "What data formats does System13 accept?".

A facility cannot upload a file with the same file name, on the same day. You will get the above message.

File Information

 Claim Format
 T=test, P=prod P **
 Claim Count 214

You must be approved for 'Production S
 'Production Status Request' form.

Thank you for your data submission.

The submitter contact will get an E-mail receipt notice indicating the data file has been received within 30 minutes of the uploaded file. The E-mail will indicate if the file was “accepted” or “rejected”. The E-mail receipt notice will also indicate if the data file will be processed as “test” or “production” data and the claims count total contained in the file.

If the file was “accepted”, the submitter contact will get a second E-mail within an hour, which will indicate if the file “passed” or “failed”. If the E-mail indicates the file “passed” and the file was processed as “production” data, the provider contact will receive an E-mail confirmation the same day.

Uploaded data files that are “rejected” or “failed” must be fixed and uploaded again by the submitter contact.

E-Mail Receipt to Provider

Thanks!

-- THCIC/Web Support Team

Frequency of Errors Report
 Report Date: 24-May-2011
 THCIC ID: 000005 THCIC Trainer

Batch Information

Field	Value
Claims Period	01/01/2010 thru 12/31/2012
Service Period	02/01/2010 thru 08/30/2010
Claims Received	363
Claims Rejected	0
Claims Processed	363
Claims In Error w/o Race + Ethnicity Errors	58
Claims In Error	58
Fields In Error	148
Accuracy Rate w/o Race + Ethnicity Errors	84.02%
Accuracy Rate	84.02%

The provider contact will get an E-mail confirmation indicating data submitted the same day that the files has been added to their account, if the file was “accepted” and “passed” as production data.

The E-mail will include a frequency of error report (FER) to verify number of claims received by our system, accuracy rate, error summary and various other claims information.

Encounter on Demand

After the *Cutoff for initial submission the Data Administrator (aka Provider Primary Contact) and Certifier will now receive an email a few days after the “Cutoff for Initial Submission. This email will be sent approximately sixty days after the end of each quarter. The email will have four reports attached to it:

- ✕ Summary Report – use this report to validate if the data for the period is correct, such as record counts, min/max/average charges, admission type and source, payer type, patient age, gender, race, and ethnicity
- ✕ Claim Count for First Physician Report - Use this to determine if the physicians (attending, operating, other) who utilize your facility are represented correctly. This report will give a claim count by physician name, sorted by name. It will also include the physician ID, but will not include patient information.
- ✕ Claim Count for Second Physician Report - Use this to determine if the second physicians (attending, operating, other) who utilize your facility are represented correctly. This report will give a claim count by physician name, sorted by name. It will also include the physician ID, but will not include patient information
- ✕ Error Type List Report - use this to determine if you have made all possible corrections to your data, if needed.

The email will suggest that if the Certifier determines that the data is complete and accurate after reviewing the reports, then they should consider choosing the Encounter or Event on Demand (EOD) option on their certification tab for that quarter. If you do not choose to start the EOD option, the certification process will start after the cutoff for corrections as it does now.

***Cutoff for initial submission is the date when the submission data is due in the system.**

Generate Quarter Cert. Data (EOD)
