

## Returning to the Home Page/Splash Page

The Home page, also known as the Splash Page in THISIS, is where you will see your workflows, tasks, recent cases, and activity summary.

The screenshot shows the Maven Disease Surveillance Suite home page. At the top, there is a navigation bar with a search field and a 'Betsy Cohen' profile. Below the navigation bar, the page is divided into several sections:

- Workflows:** A section titled 'Workflow Queue' with 'Events' and 'No workflows to display'. A 'More' link is present.
- Tasks:** A section titled 'Tasks' with a table with columns 'Type', 'Priority', 'Name', and 'Disease'. It shows 'No tasks to display' and a 'More' link.
- Recent Cases:** A table with columns 'Event ID', 'Name', and 'Disease'. It lists several cases, including '180000772' (Smith, Josh, 900 - HIV) and '200001690' (Smith, Josh, 700 - Syphilis).
- Activity Summary:** A table titled 'Activity Summary as of 02/21/2018 16:37' with columns 'Type', '# Last Week', '# Average Last 4 Weeks', and '# Last 52 Weeks'. It lists various activities like '200 - Chlamydia', '700 - Syphilis', and '900 - HIV'.
- Help Desk:** A section with 'Contact Us' and 'Email Us' links, along with the phone number '1-800-SUPPORT' and email 'help@support.org'.

Once you have entered into an event page, you need to select the 'x' in the top right corner of the event summary screen in order to return to your splash page.

The screenshot shows the Maven Disease Surveillance Suite event summary page. At the top, there is a navigation bar with a search field and a 'Betsy Cohen' profile. Below the navigation bar, the page is divided into several sections:

- Event Summary:** A section with a red 'x' icon in the top right corner. It contains 'Event Information' with fields for 'Event ID', 'Disease', 'Person', 'Investigation Status', 'Linked Events/Contacts', 'Attachments', and 'Notifications'. It also includes 'Cross Product Notifier (2)' and 'Party Information (1)'. Below this are 'Edit Event Properties' and 'Copy Event' buttons.
- Event Data:** A section with tabs for 'Event Data', 'Lab Results', 'Concerns', 'Persons', 'Tasks', 'Event Properties', and 'Event History'. The 'Event Data' tab is selected, showing a table with columns 'Question Package', 'Person', 'Last Update', 'Updated By', and 'Status'. It lists various question packages like 'Demographic', 'Reporting / Mortality', 'Case Assignment / Past Record', 'Follow-up Activity', 'Risk Factors', 'Partners / Clusters', 'Clinical', 'Venues', 'Date to Care', 'Create new Providers or Facility', 'Pregnancy Tracking', and 'Confection Management'.

You will now be back at the home screen.
