Mission of Brazos County Health District (BCHD): Improve and Protect the health of our community by cultivating the quality and performance of the Brazos County Health District practice.

Fellow Projects, responsibilities, activities, and or deliverables: The fellow will participate in a Community Health Assessment (CHA) giving the organization comprehensive information about the community's current health status and issues. The fellow will assist the Director in developing Community Health Improvement Plan (CHIP) as a long-term systematic effort to improve community health based on the CHA results. Based on the CHA and CHIP, the fellow will coordinate Brazos County Health District's accreditation process and ensure the organization meets the quality and compliance accreditation standards. The fellow must be able to build and maintain solid partnerships with the BCHD managers and will serve as the primary communication contact between the BCHD and the accrediting organization. The fellow will be providing weekly updates to the management team on accreditation process.
