----------------------	-----------------	-----------------------------	-------------------------------------	---------------------------	-----

Works as part of a team to include the CHI Program Manager and MCH Program Specialist. Develops goals and objectives for addressing selected regional Title V performance measures (safe sleep, breastfeeding, injury prevention, tobacco, obesity, others) in PHR 8 service areas. Collects and analyzes data to assist CHI staff in identifying health disparities related to the performance measures. Helps to develop, plan, implement, and evaluate action plans and programs. May assist Health Disparities grant team with community engagement and action plans. Assists in coordinating training for CHI and HD staff. May serve on internal and external committees and support other PHR8 priorities, events, and duties as assigned or approved. Assists in supporting CHI Interns. Works under limited supervision, with considerable latitude for the use of initiative and independent judgment.
