Fellowship Overview and Salary

Annual Salary	50,000	Percentage of Travel	10%	Benefits eligible?	Yes
The goals of the DSHS Immunization Unit are to eliminate the spread of vaccine preventable diseases by increasing vaccine coverage for Texans, raise awareness of the diseases that vaccines prevent, and educate the public about vaccine safety. The fellow will provide data analytics for the Immunizations Program and make recommendations for targeted vaccine outreach in our rural counties. The fellow will also work on developing needs assessments for local health departments in our rural counties.
