----------------------	-----------------	-----------------------------	------------	---------------------------	---

Under the general direction of the Health Equity Promotion and Prevention Manager (HEPP), the Fellow will be tasked with challenging, high-level projects in the HEPP Division of the Waco-McLennan County Public Health District. The fellow will perform public health work around the eight foundational capabilities that are needed in Public Health Infrastructure:

1. Assessment & Surveillance
2. Community Partnership Development
3. Health Disparities
4. Organizational Competencies
5. Policy Development & Support
6. Accountability & Performance Management
7. Emergency Preparedness & Response
8. Communications.

The fellow's projects, responsibilities, activities, and/or deliverables will support basic public health programs and services that are key to ensuring community health, well-being, and equitable outcomes.
