

2011 Texas Selected Cancer Facts

Gregg County

Texas Selected Cancer Facts are provided by the Texas Cancer Registry (TCR), a collaboration of the Texas Department of State Health Services, National Program of Cancer Registries-Centers for Disease Control and Prevention, and Cancer Prevention and Research Institute of Texas. The TCR is a statewide population-based registry that serves as the primary source of Texas cancer data. These data are used to measure the Texas cancer burden, progress in cancer prevention and control, and support a wide variety of cancer research.
