

TYTAP Instructor List B

This list is current as of 04/2021 and includes licensed TYTAP Instructors in Texas approved to conduct virtual classes. You can contact the instructors on List B if you were unable to locate an instructor in your county or in a county near you on List A.*

Please visit <https://dshs.texas.gov/tobacco/TYTAP/> or contact Tobacco.Free@dshs.texas.gov if you have issues finding an instructor or questions about TYTAP.

*Approved TYTAP classes are only conducted by trained instructors (individuals) with an active State of Texas TYTAP license. TYTAP participants should verify that a TYTAP instructor is certified and listed below before paying for a TYTAP class. **Online classes offered by any individual or entity besides those listed here are not valid and the court might not accept a Certificate of Completion from an uncertified organization, instructor, or website.** Please email tobacco.free@dshs.texas.gov and refer to Texas Health & Safety Code, Sec.161.253 for more information.
