

TVFC & ASN Re-Enrollment is Here!

The re-enrollment window for the TVFC and ASN programs is Oct 1-31. Learn more about how to re-enroll.

New Influenza Scorecard to be Distributed This Month

Beginning October 15, all TVFC-enrolled facilities will receive a monthly influenza scorecard from the Immunization Unit, which reports current flu vaccine coverage rates and utilization rates.

Enrolling in ImmTrac2

Providers enrolling in TVFC/ASN are required to be registered and assigned an Organization Code (Org Code) in ImmTrac2. If you know your ImmTrac2 Org Code and have been assigned an ImmTrac2 Username, please login to ImmTrac2 and make sure your Site Agreement is up-to-date.

Organizational Code Search

TVFC Providers can check if they are already registered and obtain their ImmTrac2 Org Code for TVFC enrollment by navigating to the Organizational Code Search and searching in the drop-down lists by their TVFC PIN number or by their Facility's Name.

2019 TVFC/ASN Provider Policy Training

The 2019 TVFC/ASN Provider Policy Training is now available at vaccineeducationonline.org. This training was made available on September 1, 2018 and all primary and backup vaccine coordinators at enrolled sites must take this new training for re-enrollment into the TVFC and/or ASN Program for 2019.

The 2019 TVFC/ASN Provider Policy Training is based on the [2019 TVFC/ASN Provider Manual](#) which is available online. At the back of the manual, there is a synopsis of what has changed since the 2018 Provider Manual.

Keys to Storing and Handling Your Vaccine Supply (Video)

One of the most important safeguards for the nation's vaccine supply is proper storage and handling. A new web-on-demand video from the Centers for Disease Control and Prevention, titled "Keys to Storing and Handling Your Vaccine Supply," is designed to decrease vaccine storage and handling errors by demonstrating recommended best practices and addressing frequently asked questions. Continuing Education (CE) is available.
