**IMPORTANT REMINDER: 2019 Texas Vaccines for Children (TVFC)  
and Adult Safety Net (ASN) Annual Re-Enrollment**

Dear TVFC and ASN-enrolled sites,

In preparation for 2019, re-enrollment into the TVFC and ASN Programs will take place October 1-31, 2018. The TVFC and ASN Programs require your Provider Agreement to be submitted annually.

Facilities are required to provide an ImmTrac2 organization code for the 2019 re-enrollment into the TVFC/ASN Programs. If you have forgotten your organization code or have not registered with ImmTrac2, visit [ImmTrac2](#) online. Please note that the registration process for ImmTrac2 may take up to 14 days. For assistance, please contact the ImmTrac2 Customer Support Team at [ImmTrac2@dshs.texas.gov](mailto:ImmTrac2@dshs.texas.gov) or 1-800-348-9158 (option 4).

For the first time, facilities will be required to enter expiration dates from valid certificates of calibration for all data loggers that are used to monitor the temperatures of units that store TVFC/ASN vaccine.

DSHS will soon release the online 2019 Provider Policy Training module which will be required to be completed by all primary and backup vaccine coordinators. As in previous years, the certificates of completion must be uploaded during the re-enrollment process.

Sites that fail to complete the required 2019 TVFC/ASN re-enrollment process may have their ordering privileges suspended.

Thank you for your continued support of the TVFC and/or ASN Program. If you have any questions, please contact your responsible entity listed below.
