SUBJECT: CCNE: New Web Page, Lesson Correction and Qwest Session

New CCNE Web Page - A new Client-Centered Nutrition Education (CCNE) web page is now available under the "Nutrition" tab on the DSHS website at:
<http://www.dshs.state.tx.us/wichd/nut/ccne.aspx>.

On this web page you will find documents for helping to plan client-centered nutrition education as well as resources for staff who teach classes. The CCNE lesson template, a list of staff competencies for conducting group education, and the CCNE planning checklist can be found on this page. In addition, you will find *Texas WIC News Articles* highlighting CCNE and links to selected documents from the *CCNE Toolkit*. If additional copies of the DVD *The Real (WIC) World: Applying CCNE in the Clinic* are needed, a link to the *WIC Media Catalog* for ordering additional copies can also be found on this page. Staff are encouraged to visit this web page, review the materials, and check back for updates.

Correction to Lesson CF-000-24: CCNE: Follow the Leader - A correction has been made to the lesson *CF-000-24: CCNE: Follow the Leader*. The corrected lesson has been posted to the web. If you are currently using this lesson, please use the updated lesson or make the following correction. This lesson includes a calculation that reads: *5 years x 1 main meal x 365 days = 1640 meals*

The correct answer for this calculation is *5 years x 1 main meal x 365 days = 1825 meals*
