

Memorandum

#11-075

TO: WIC Regional Directors
WIC Local Agency Directors

FROM: Linda Brumble, Unit Manager
Nutrition Education/Clinic Services Unit
Nutrition Services Section

DATE: June 3, 2011

SUBJECT: IDL Recordings for WIC Local Agencies

As stated in an email dated April 20, 2011 to WIC Directors regarding IDL recordings, the State Agency will be providing all Local Agencies with IDL recordings of certification classes and other helpful topics. Due to limited funds and staff time, we are only able to provide you a finite number of topics and copies of each DVD. We have compiled a distribution list of the number of copies needed from each WIC Director that we will use as our mailing list. That is the number of copies you will get unless you ask us to change the number. We will not reproduce "extras."

These are the IDL classes we plan to record and distribute, though it is subject to change:

- *Health History/Nutrition Assessment*
- *More about Risk Codes*
- *The 400s Risk Codes*
- *Weighing and Measuring Techniques*
- *Screening for Eligibility***
- *Advance Income Screening***
- *WIC Approved Foods*
- *Food Packages*
- *Introduction to Formula Approval*
- *WIC Income Questionnaire*
- *Overview of GA:01.0, Confidentiality of Applicant/Participant Information*
- *What is VENA?*
- *EBT Client Disputes*

** These will be distributed when income policies receive final approval from USDA.

If you need recordings of additional IDL classes (other than the above titles), you are encouraged to record those at your clinic, directly from the IDL system. If you need assistance in connecting a recording device to the IDL system, please contact Yolanda Baz Dresch, IDL Studio Manager, at 512-341-4443 for technical assistance.

If you would like additional copies of the IDL recordings distributed by the State Agency, please make your own arrangements and use a DVD of the recording you want to duplicate as a master. You can make as many copies as you need.

If you have questions or require additional information, please contact Yolanda BazDresch, IDL Studio Manager, at (512) 341-4443 or email yolanda.bazdresch@dshs.state.tx.us. Thank you for your assistance.
