SUBJECT: Mathematica Policy Research WIC Breastfeeding Policy Inventory Survey

Last week you may have received an email about an upcoming WIC Breastfeeding Policy Inventory Survey. This memo is to inform you that this is a *legitimate* survey being conducted by Mathematica Policy Research on behalf of U.S. Department of Agriculture, Food and Nutrition Service (FNS). Your participation is crucial so that FNS will have a comprehensive picture of WIC agencies' policies and practices to promote breastfeeding. Please be sure to participate in this survey when you receive the instructions to access the survey in the next few weeks.

If you have questions, please contact Tracy Erickson, WIC Breastfeeding Coordinator, at tracy.erickson@dshs.state.tx.us or (512) 341-4521.
