SUBJECT: Quarterly Online CCNE Sharing Session – Offering Variety through OPMG
(Grocery Store Tours)

Please join us for the WIC Quarterly Online Sharing Session **Thursday, July 24, 2014, 12:00 – 1:00 p.m. CST**, to discuss Client-Centered Nutrition Education (CCNE). This quarter the focus of the discussion will be the use of the Obesity Prevention Mini-Grants to increase the types of CCNE offerings available to participants. This will be a continuation of the call held last quarter and will include a discussion of grocery store tours.

All Local Agency staff, particularly Nutrition Education Coordinators and those Local Agencies who currently have OPMG projects, as well as those who are interested in beginning one, are invited and encouraged to attend. We will hear from agencies currently using OPMG programs in creative and exciting ways. In addition, we will discuss new and upcoming CCNE lessons, trainings, and resources. This will be a great opportunity to get the latest updates, as well as to share your questions and ideas. We hope you will be able to join us.
