

Memorandum

#15-087

TO: WIC Regional Directors
WIC Local Agency Directors

FROM: Amanda Hovis, Director
Nutrition Education/Clinic Services Unit
Nutrition Services Section

DATE: August 14, 2015

SUBJECT: WIC Package Laminated Tools and Posters

The WIC Package laminated tools and posters were revised this past spring to reflect a few changes that include:

- Adding yogurt to all WIC packages
- Updating the formula can size from 12.9 oz. to 12.4 oz. on the *Formula WIC Package* and *Mostly Breastfeeding WIC Package*
- Changing the statement about the issuance of breast pumps to women if they are unable to get one from their health plan on the *Exclusively Breastfeeding WIC package*.

These materials are now available through the WIC Catalog at <http://www.dshs.state.tx.us/wichd/WICCatalog/contents.shtm>
