SUBJECT: Overstock of Hard Case Elite Breast Pumps

We currently have an overstock of hard case Elite breast pumps which need to be cleared from stock. Purchases of hard or soft case Elite pumps will be on hold until the overstock is cleared.

These are never-used functioning pumps and it is essential we put them into use; however, the warranty will expire on all overstock pumps at the end of February, 2017. Breast pump orders collected between September 1-19, 2016, which included soft or hard case multi users will be filled by the overstock of hard case Elites. Tentative delivery will be late November, 2016.

103 hard case Elites will remain in stock and your assistance is requested to clear them from the warehouse. To assist in this effort please send me an email by COB November 7, 2016, and indicate how many Elites you can add to your inventory.

Should you have questions or need assistance, please contact Leticia (Letty) De La Rosa, Breast Pump Coordinator, at (512) 341-4567 or leticia.delarosa@dshs.state.tx.us
